Dear Parents and Guardians,

To help keep you informed, and your child academically active during this health pandemic, Moencopi Day School is providing you with your child's third quarter report card, as well as a home practice packet.

Once you have received and reviewed your child's grades, you are welcome to contact your child's teacher to discuss any academic or behavioral concerns you may have.

In addition, we understand that during this time of isolation it is difficult to keep your children academically active. To assist, the teachers have agreed to provide weekly packets and/or other online resources for you and your child to utilize. These packets will be available every Tuesday during the breakfast/lunch pick-up time. (11:00 a.m.-1:00 p.m. MST)

If you have questions regarding your child's grades and/or home practice activities, please feel free to contact your child's teacher. For all other questions regarding school closures or updates please visit our website at moencopidayschool.org, or you may call us at (928) 283-5361.

Thank you.
