Dear Parents and Guardians,

As MDS moves closer to the start of the 2020-2021 School Year, be assured our team is working diligently on plans for next school year.

Updates:

1. Student's First Day of School: September 8, 2020 – Board Approved
2. Instructional Team returns to work: July 27, 2020
3. Support Staff returns to work: August 24, 2020

Based on our current situation MDS will start the school year 100% online. Our hope is to slowly transition back to in person learning by January of 2021. *Returning to the classroom will only be considered when federal, state, and local authorities deem it safe.*

All enrolled students will be afforded a Chromebook and hot spot device for daily interfacing with teachers and classmates, as well as, submitting assignments, grade checks, and accessing class materials.

The instructional team will continue to base all academic progress on common core state standards and will utilize Journeys, Envision, and IXL programs to enhance student success. The online platform, Schoology, will also be used during the regular school year. We appreciate your patience as the team returns to develop and structure your child's academic day.

Finally, we would like to thank you for your continued support and understanding during this uncertain time.

Respectfully,

Moencopi Day School Staff
