Moencopi Day School will be participating in the National School Lunch Program and School Breakfast Program. As part of this program, Moencopi Day School will offer healthy meals every school day at NO COST to the students due to the implementation of the Community Eligibility Provision for school year 2020-2021. Students will be able to participate in these meal programs without having to pay a fee or submit a household application.

Qualifications for children to receive free or reduced price meals include: belonging to a household whose income is at or below the Federal Income Eligibility Guidelines, belonging to a household that receives public assistance, or if the child is homeless, migrant, runaway, foster, or participates in a Head Start or Even Start pre-Kindergarten program.

The Richard B. Russell National School Lunch Act requires the information requested in order to verify your children's eligibility for free or reduced-price meals. If you do not provide the information or provide incomplete information, your children may no longer receive free or reduced-price meals.
